

WIKLOW CORPORATE SERVICES INC.

The Practical “How To” Guide For Public Companies

*Your Step By Step Approach to Meeting
Securities Regulatory Compliance Requirements*

Vancouver, BC – June 16 and 17, 2014

The day-to-day reporting and compliance requirements in maintaining a public company can be overwhelming. The purpose of this **two-day intensive workshop** is to provide clarity in meeting those requirements and prepare the participants for current and upcoming regulatory requirements.

- ***INCREASE your peace of mind and take control of your public company compliance issues***
- ***AVOID missed deadlines and unnecessary fines***
- ***SAVE time and reduce stress***

The workshop participants will receive reference materials which provide information enabling them to recognize critical issues in handling the day-to-day securities compliance requirements. From continuous disclosure and reporting requirements, to press releases and prospectus exemptions, you will emerge with the confidence to deal efficiently and effectively with your public company compliance requirements.

Who Should Attend

- Compliance Officers
